GREETINGS

n behalf of the Inglewood Alumnae Chapter of Delta Sigma Theta Sorority, Inc., I am delighted to welcome you to our September Breakfast – Love Is...Jazz Brunch. We are beyond excited to host this inaugural event and share this special day with each one of you. We want you to prepare your mind and body for a morning filled with smooth jazz, mouthwatering brunch delights, and the amazing energy of our chapter.

In alignment with our Sorority's 5-Point Programmatic Thrust, our chapter has made significant contributions to the Inglewood community. We have proudly offered programs such as the Dr. Betty Shabazz Delta Academy, Dr. Jeanne L. Noble GEMS, and EMBODI programs for middle and high school students. Additionally, we have provided financial literacy programs for all ages and engaged in voter registration, education, and advocacy. Our support extends to the international efforts through our national organization, and we were recently honored at the 54th Farwest Regional Conference for our achievements. From community health fairs, walks, and workshops to our commitment to supporting higher education through scholarships, our initiatives reflect our commitment to making a positive impact.

Our 22 Founders set a remarkable standard for scholarship, sisterhood, service, and social action over 111 years ago. For the past 31 years, the Inglewood Alumnae Chapter has been dedicated to continuing this legacy. Through our intentional, thoughtful, impactful, and exemplary programs, we strive to enrich and elevate the lives of African Americans and the broader Inglewood community.

As the 9th president of this jewel of a chapter, I am immensely proud of our accomplishments. Today, you will have a chance to experience the essence of IAC and the meaningful work we do. We invite you to enjoy the jazz, savor the brunch, and most importantly, relish each other's company. Let's make this day memorable as we celebrate our sisterhood and the joy of our Inglewood community. Here's to a fabulous start to our 32nd year of dedicated service!

Love Is...Sisterhood, Service & Sisterhood,

DELTA SIGMA THETA SORORITY, INC.

September 14, 2024

It is with immense pride and honor that we extend warm greetings on behalf of the 97 chapters of the Farwest Region of Delta Sigma Theta Sorority, Inc.

"Love encompasses a range of strong and positive emotional and mental states, from the most sublime virtue or good habit, the deepest interpersonal affection, to the simplest pleasure." Love is intense and reflects respect and dedication to values, bonds, and individuals.

1 Corinthians reminds us that, "Love is patient, kind, and does not envy, boast, or rejoice at wrongdoing," making love the perfect cornerstone for our beloved sisterhood of Delta Sigma Theta Sorority, Inc.

This weekend, as you gather for this year's September Breakfast under the theme, "Love Is...," we invite you to embrace the immersive experience of love and allow it to serve as a constant reminder of why you are active, committed, and united in service to Delta Sigma Theta. We know that when love, prayer, and commitment unite, there is opportunity for collaboration, selflessness, and progress. In this very tense and critical political landscape, it is incredibly necessary that we allow love to be a lamp unto our feet, guiding us in our work, programming, and action to ensure a better and brighter future for our communities and families.

As we prepare to enter our 100th year, it is my hope that this September Breakfast will serve as a monumental kickoff for your chapter, sparking fresh ideas and renewing our purpose as individuals committed to Delta. Challenge yourselves to study a new governing document, reclaim a member (or ten), sign up for a new committee, and/or register a new voter.

We congratulate you on the success of this breakfast, which stands as another event designed to reclaim and recommit ourselves to the advancement of the powerful mission of Delta Sigma Theta.

May our sorority's core ideals—sisterhood, scholarship, service, and social action—permeate

your chapter and its programming, ensuring that your chapter's impact remains a pillar of service and sisterhood for centuries to come.

Kimberly M. Usher Radiya Ajibale

Heartfelt congratulations on this outstanding event, and best wishes for a

memorable celebration!

CHAPTER HISTORY

1993-2024

In February of 1991, six Sorors gathered to consider chartering a new chapter of Delta Sigma Theta Sorority in Los Angeles County. Thelma Day, Rena Black, Desdra Butler, Sheryl Garner, Diane Parker-Harris, Susan Price, Beryl Brooks Spikes and Karen Smith-Wilson conducted a feasibility study and learned that the city of Inglewood was not being serviced by any other Delta chapter in Los Angeles County. Hence, the seed to charter a new Delta Chapter was planted. Armed with leadership skills honed from membership in Los Angeles Alumnae Chapter, the core group saw a need to charter a new chapter to lend their leadership in chapter office positions and to create community programming that was aligned with Grand Chapter, as well as, their morals, beliefs, and interests.

The core group committed to forming a small to medium-sized chapter that fostered a welcoming environment, engaged members in serving the Inglewood community, developed exceptional programming, and trained regional and national officers.

The core group strategically recruited members. After the submission of the first charter application, the core group was informed by the Chair of the Constitution and Bylaws Committee that 96 members were needed to charter the new chapter. Discouraged but determined to charter the new chapter, the core group continued to meet and recruit members. In December 1992, the core group submitted a second application only to be informed that the required number of members to charter the new chapter was 102.

This was the defining moment for the core group, who enlisted Vanita W. Nicholas, J.D. to write a letter of rebuttal to the Chair of Constitution and Bylaws clarifying the interpretation of the requirements to charter the new chapter. Again, determined to get the approval to charter the new chapter, the core group met with Dr. Bertha Maxwell Roddey, then National President to share their concerns and request her support.

On Friday, April 16, 1993, at the Los Angeles Airport Marina Hotel, all of the hard work and sacrifices paid off. Over three hundred members of Delta Sigma Theta Sorority, Incorporated gathered to witness and celebrate the chartering of the Inglewood Alumnae Chapter, the 851st chapter of Delta Sigma Theta Sorority, Inc. Soror June Long, Esq., then Farwest Regional Director, officiated the charter ceremony. The highlight of the evening was the inaugural address by President Thelma Day. Soror Day charged the chapter with the task of revitalizing the Inglewood community. She encouraged us to blend in the spirit of giving by "Reaching Back to reclaim sorors who have not been active with the sisterhood; Going Back to principles and traditions instituted by the Founders; and Giving Back to the community a portion of that which was given to us."

With that message in heart, the Inglewood Alumnae Chapter of Delta Sigma Theta Sorority, Inc. was off and running. The initial roster of 48 bold and beautiful women has flourished to more than 150 members strong. We are proud to have inducted four lines – the 13 Stages of Evolution (1998), Nascent 19 (2003), 20 D.I.V.I.N.E. (2009), and 25 S.T.E.P.S. to DSTiny (2019) – and have reclaimed numerous sorors in the name of our beloved sisterhood.

For 31 years under the leadership of nine presidents (Thelma Day, Desdra Butler, Margaret Evans, Karen Smith-Wilson*, Helen Arbogast, Joyce Guinyard, Sabrina Barnes, Cheryl Gully, and Erica Melbourne). Inglewood Alumnae continues to implement a number of transformative community service projects. Throughout the decades, the chapter has received notable recognition on the local, regional and national levels.

COMMUNITY SERVICE PROJECT

FROM THE HEART PRESCHOOL AND ENRICHMENT CENTER

From the Heart Preschool and Enrichment Center is more than just a school; it's a beacon of hope and opportunity. Serving children aged two to six, this small but mighty Inglewood institution was founded Betty Luckett in the late 1990s with a heartfelt mission: to cultivate the minds of Black and Brown children, inspiring them to excel in science and technology.

In the past 25 years, more than 1,500 young learners have walked through its doors, receiving invaluable early education from passionate and dedicated teachers. The impact of this nurturing environment is profound—many former students return to share their success stories, having pursued STEAM majors in college as a testament to the school's lasting influence.

From the Heart partners with esteemed organizations and community leaders like Crystal Stairs, Supervisor Holly Mitchell, the L.A. Rams, and the Cal Foundation, ensuring a robust support network for its community.

The school's unique program is built on the belief that younger children thrive by learning from their older peers, while older children grow by mentoring the younger ones. These relationships foster self-esteem and personal growth, laying a strong foundation for elementary school readiness. Guided by caring teachers, children engage in activities that challenge and stimulate their individual learning journeys.

Beyond academics, From the Heart offers parenting classes and hosts community events like Harvest Fest, creating a supportive and inclusive environment for families. This preschool is not just an educational institution; it's a community dedicated to nurturing the potential of every child, one heart at a time.
